SHAIK MOHAMMAD NOWMAN

SOFTWARE DEVELOPER | WEB & MOBILE APPLICATIONS

Andhra Pradesh, India | +91 7093432326 | shaiknwmn99@gmail.com

PROFESSIONAL SUMMARY

Computer Science graduate with hands-on project experience building web and Android applications. Works with Next.js, React.js, TypeScript, Node.js and MongoDB to develop practical business workflows, integrate REST APIs and perform functional testing. Seeking an entry-level software development opportunity.

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, TypeScript, SQL

Frontend: React.js, Next.js, HTML5, CSS3, EJS

Backend & Database: Node.js, Express.js, REST APIs, MongoDB

Tools: Git, GitHub, VS Code, npm, Android Emulator, ADB, Render, OpenAI Codex

Testing: Functional testing; regression testing (learning)

PROJECTS

BillSahi | Multi-platform Business Management Software

Next.js, TypeScript, MongoDB, React Native | Web and Android

- Developed a web application with Next.js, TypeScript and MongoDB, alongside a React Native Android application for daily business management.
- Built mobile workflows for sales, purchases, expenses, reports and authentication; checked forms, navigation and application features through functional testing.
- Extending the product to desktop; desktop application is under development.

Cafe Flex | Local-first Cafe Management Application

React Native, Android, Local Wi-Fi | Developed with OpenAI Codex

- Built an Android application for cafe staff to place and manage orders on the same Wi-Fi network or mobile hotspot.

WanderIn | Accommodation Listing Platform

Node.js, Express.js, EJS, MongoDB, HTML, CSS, JavaScript

- Developed property listings, authentication, search, filtering and booking views; connected server routes, database operations and templates.

Crime Zone Identification and Intervention

Python, Pandas, Matplotlib, Flask

- Cleaned and normalized historical crime data to analyze location and time-based trends; created charts and maps to communicate crime hotspots and checked outputs.

EDUCATION

B.Tech in Computer Science and Engineering | 2025 | CGPA: 7.44
Rajeev Gandhi Memorial College of Engineering, Nandyal

Intermediate (MPC) | 2018 | 94.7% - Narayana Junior College, Tirupati

SSC / Class 10 | 2016 | CGPA: 8.2 - Viswa Bharathi High School, Punganur

CERTIFICATIONS

Full Stack Development - Apna College

Python for Beginners - Cisco Networking Academy
